

**COPYRIGHT CONSENT FORM**

**SECTION II: To be completed by individual photographer/author who created the work.**

*This must be a person. If there are co-authors, each co-author completes a copy of this section.*

My name is \_\_\_\_\_ and I hereby represent and warrant that  
\_\_\_\_\_  
(name of individual or firm) is the copyright owner of the  
photographs that are entitled/labelled as: \_\_\_\_\_ in the 2023  
ARIDO Awards entry submitted by \_\_\_\_\_ (name of Designated Entrant(s)) (“The Materials”).

I hereby confirm that \_\_\_\_\_ (insert firm(s) or individual(s) who are copyright owners)  
own the copyrights in the Materials.

I hereby permanently and irrevocably waive in favour of ARIDO all moral rights or *droits moraux* which I may  
have in the Materials throughout the world (including without limitation the moral rights prescribed by the  
*Copyright Act, Canada*), to the full extent that those rights may be waived. This waiver is for the purposes of  
ARIDO’s reproduction and use of the Materials in association with the 2023 ARIDO awards program, and any  
and all related publicity of the awards granted.

When the Materials are presented by or reproduced by ARIDO and ARIDO chooses to attribute my authorship  
of the Materials, authorship should be attributed to: \_\_\_\_\_ (insert the  
photographer/author’s preferred name for personal attribution on reproductions of the Materials.)

I hereby represent and warrant that I created the Materials with \_\_\_\_\_ (insert  
“no one else” or names of co-authors, who must also complete this section of the form) and that the Materials  
have not been copied from any other source.
