

ARIDO SOC ANNUAL GOLF TOURNAMENT

for Cancer Research

LEGACY

The SOC tournament began in 2009, named “Tees for Two” with the idea of two industry professionals teaming up with two designers. After the death of Vicki Woloschuk in 2011, the tournament was renamed in her honour and proceeds were donated to the Cancer Research Society. Vicki was a talented Designer and dedicated volunteer and helped shape the success of the SOC Chapter and contributed to the inception of our inaugural golf tournament.

Recognizing that cancer has touched so many of us, the tournament remains charitable to the Cancer Research Society, however, rebranded under the original ARIDO Southern Ontario Chapter to honour all members.

HOW TO PARTICIPATE

There are lots of ways you can be a part of this special day! Sponsor a foursome, provide a raffle item, or contribute to the various other sponsorship opportunities.

BEST BALL FOURSOME

Sponsor a foursome, network and be sure to bring one great golfer! You can create your own team or choose from the designer player pool.

A MESSAGE FROM ARIDO SOC

SHERI CRAWFORD, SOC PRESIDENT

As a long-standing participant and organizer of the SOC Golf Tournament I am happy to be back this year, helping our dedicated team of volunteers and getting back on the course to enjoy a wonderful day in Southern Ontario. Over our 12 years of organizing this tournament and donating to the Cancer Research Society we have contributed over \$30,000 to Cancer research.

In the Spring of 2022, I was diagnosed with Stage 3 rectal cancer. My journey that lasted about a year encompassed 3 surgeries, 4 hospital visits, a blood transfusion and chemotherapy. Seeing the pain that my family experienced was probably one of the hardest parts of my illness. In November of 2022 I was able to ring the cancer bell after my last infusion treatment and was given a clean bill of health in April of this year.

Although many go through a much longer journey than I did, I now fully understand the benefits of our donations as I was given a chance to continue to be a mother, partner, daughter, colleague and friend because of the advancements in cancer treatment. I vowed to live my life to the fullest and gain back my strength so I could enjoy all the activities that I missed last year, including golfing.

From the bottom of my heart, I thank all the sponsors who have continuously supported our tournament and allowed someone like myself an opportunity to survive. And to those who are just joining us this year, thank you for giving someone else a fighting chance.

I look forward to seeing you all on the course!
